Infection Control Annual Statement 2024-2025

Chineham Medical Practice

Sue Thompson
Practice Nurse

Aim

- Provide and maintain a clean and tidy clinic
- Prevent and control the risk of the acquisition of an infection in all our activities
- Promote a safe environment for all patients, staff, users, visitors and the public.
- To comply with the Health and Social Care Act 2008 (revised 2015)

2. Purpose

This Annual Statement will be generated each year in April. It will summarise:

- Details of any infection control audits undertaken and actions taken
- Significant risks identified/events relating to infection control and any actions taken
- Details of staff training
- A review of policies, procedures and guidelines

3. Background

- The Infection Prevention and Control (IPC) Lead is: Sue Thompson supported by Karen Nicholls Practice Manager
- Infection control was updated at meetings and emails to update on current guidance.
- The IPC Meetings that I attended were – 27/06/24 and 26/09/24

4. Audit

The Chineham Medical Practice

Reading Road, Chineham, Basingstoke. RG24 8ND

November 24	Part 2	Nov 2024 Infection Prevention and Control GP Practice Action plan General management Staff health Staff training Policies Procedures Guidelines and Antimicrobial stewardship .docx
March 25	Part 3	March 2025 Action plan Part 3 of 3.docx

Significant risks/ events relating to infection control

We have had one case of Clostridioides infection over the last year

Staff training

At time of publication of this annual statement

96% of clinical staff have undertaken an annual update in infection prevention this year

86% of non-clinical staff have undertaken an Infection prevention update in the last 3 years

We use Practice Index online training

Policies, procedures and guidelines

We have adopted the Primary Care Infection prevention and control policy.

Cleaning

Cleaning is managed by a cleaning company Service Masters with the management being done by Suzanne Stace in association with Karen Nicholls-Practice Manager
